

2022 IMPACT REPORT

OUR VISION IS A VIBRANT COYOTE CREEK: CLEAN WATERS, ABUNDANT WILDLIFE, AND NATURAL BEAUTY THAT EVERYONE CAN ENJOY.

KEY VOLUNTEERS

"I hope to see in the future, the waste going into the ocean getting reduced with the help of organizations like KCCB."

-Ram M. Mohan, Volunteering since 2020

"Once you are at the cleanups you realize how important it is to get things as clean as possible in nature. I believe there is a lot of value in communicating this to the public and that we are trying to help the wildlife that live along the creek."

-Karan Gathani, Volunteering since 2017

"We consider it our big backyard. We taught our kids to ride their bikes on it (Coyote Creek Trail), it's our trail, it's part of who we are."

-Bruce & Alie Victorine, Volunteering since 2015

"I Love Coyote Creek. It's always been a comfort to me. Every time I pick up something, I make a story about it. Every piece of junk has a story. You're doing good if you fill those bags!"

-Tim Dobbins, Volunteering since 2021
